Professional Experience

Assistant Manager | Recycling Inc – Lancaster, CA (March 2020 – 2023)

- Processed and maintained hundreds of records weekly while ensuring data accuracy and completeness.
- Supervised, trained, and audited staff on administrative workflows and data entry procedures to minimize errors and maintain strict quality assurance.
- Resolved complex customer and internal inquiries, demonstrating strong time management and organizational skills to deliver exceptional service under tight turn-around times.

Canvasser | Mike Bloomberg Campaign - Remote (November 2019 – March 2020)

- Managed and updated high-volume tracking databases, ensuring strict data integrity, information security, and confidentiality.
- Utilized Microsoft Word templates and Outlook to coordinate outreach, managing a massive queue and documenting and organizing large volumes of data with accuracy and attention to detail.
- Addressed public inquiries and complex questions directly, providing accurate information and navigating sensitive conversations with professionalism.

Security Officer | Allied Universal – Palmdale, CA (June 2016 – October 2019)

- Maintained accurate logs, incident reports, and site databases while ensuring confidentiality and compliance with organizational policies.
- Managed stressful situations and the ability to multi-task to resolve visitor inquiries independently, utilizing strong verbal communication.
- Monitored digital security systems and databases to track assets, identify operational risks, and report technical discrepancies to leadership.

Education

- **Full-Stack Web Development Specialization** | UCLA Extension Boot Camp (Awarded April 2023)
- **High School Diploma** | Highland High School, Palmdale, CA (Graduated 2013)
